EXPERIENCE

Reckon Infotech

Web Development Intern

Aurangabad, Maharashtra

July 2022 – Aug 2022

- Completed 6-week industrial training in full-stack web development with outstanding performance.
- Built responsive web applications using HTML5, CSS3, JavaScript, and PHP.

PROJECTS

EduSync – Online Learning Platform | MERN Stack (MongoDB, Express.js, React.js, Node.js)

- * Built a platform where students can enroll in courses, track learning progress, and connect with instructors.
- * Implemented secure login and role-based access for Students, Instructors, and Admins.
- * Developed REST APIs for managing courses, user profiles, and discussion forums.
- * Added real-time chat for student-instructor interaction during classes.
- * Designed a responsive React frontend with dashboards and progress tracking.

E-Commerce Website for Ganraj Cake and Pastries | PHP, JavaScript, HTML5, CSS3, MySQL

- * Developed a comprehensive e-commerce platform with secure user authentication and dynamic product catalog.
- * Implemented shopping cart functionality, order processing system, and integrated payment gateway for seamless transactions.
- * Created dynamic product loading from MySQL database with admin panel for inventory management.

DevConnect - Developer Networking Platform | MERN Stack (MongoDB, Express.js, React.js, Node.js)

- * Built a full-stack social networking platform designed specifically for developer community engagement and collaboration.
- * Implemented secure user authentication, comprehensive profile creation, and project showcase functionality.
- * Developed community forum with real-time discussions, code sharing, and collaborative development features.
- * Designed responsive UI/UX with modern React components and state management for optimal user experience.

CERTIFICATIONS & ACHIEVEMENTS

Nurturing Brilliance Scholar – *Cummins India Pvt Ltd*: Recognized for academic excellence and innovative thinking.

Coding World Cup – *Coding Ninjas powered by Logitech*: Demonstrated competitive programming skills.

Web Development Certification – *Reckon Infotech*: Completed comprehensive web development training program.
