Summary

I'm an enthusiastic and motivated Computer Engineering graduate with internship experience in full-stack development and Python with DSA. Skilled in C++, SQL, and front-end technologies like HTML, CSS, and JavaScript. Completed real-world web development projects that strengthened both technical and problem-solving abilities. At present, I'm seeking an entry-level software developer position to apply technical skills, contribute to impactful projects, and build a long-term career in software engineering.

Education

Bachelor of Engineering (Computer Engineering)

Savitribai Phule Pune University | Balewadi, Pune | 2022 – 2025
