EDUCATION

Genba Sopanrao Moze College Of Engineering, Balewadi B.E. - Computer Engineering CGPA: 7.49 / 10	2021 - 2025
Horizon Academy College Of Science And Commerce, Nashik 12th MSBSHSE Percentage: 82.17 / 100	2021
Horizon Academy, Nashik 10th ICSE Percentage: 82.00 / 100	2019

TECHNICAL SKILLS

Languages:	Python, Java, SQL,C++,C
Databases:	MySQL, MongoDB
Tools/Frameworks:	Power BI, MS Office, MS Excel
Web Technologies:	HTML, CSS, Javascript

INTERSHIPS

YBI Foundation	26 Dec, 2023 - 26 Jan, 2024
Artificial Intelligence And Machine Learning Intern	
- Proficiency in Python programming language - Created an object detection model with the help of kaggle.	

ACADEMIC PROJECTS

Real Time Object Detecting System Using Yolo	04 Mar, 2024 - 29 Mar, 2024
- Designed and developed an object detection system using YOLO tailored for object detection, ensuring seamless operation during understanding environment. - Focused on optimizing object detection efficiency. - Conducted rigorous testing to meet high standards and enhance performance. Demonstrated strong problem-solving skills and technical knowledge in object detection.	

CERTIFICATIONS

1.Java Full Stack Skills IT Academy	2.Introduction To Cloud Computing Infosys	3.Javascript Infosys
-------------------------------------	---	------------------------

ACHIEVEMENTS

- Qualified in institute for national level Smart India Hackathons 2023.
- Completed multiple 80/100/120 Km Nashik Randonneur Milers

LANGUAGES

- English - Full Professional Proficiency
- Hindi - Limited working proficiency
- Marathi - Bilingual Proficiency
