EDUCATION

- MCA (PURSUING)**
Savitribai Phule Pune University
- BSC IN COMPUTER SCIENCE**
Mumbai University
2023
CGPA : 9.0
- HSC**
Mumbai University
2020
Percentage : 66.92%

EXPERIENCE

ASSOCIATE SOFTWARE TEST ENGINEER

TSS Consultancy Pvt Ltd | JAN 2024 - Present

Job Responsibilities :

- Worked on CKYC module for a fintech product integrated with the Finacle core banking system, ensuring accurate CKYC number generation and submission.
- Designed and executed comprehensive test cases based on business requirements and functional specifications.
- Performed functional, regression, smoke, and sanity testing to ensure application stability.
- Logged and tracked bugs using JIRA, working closely with developers for timely resolution.
- Utilized SQL to validate backend data and ensure data integrity during testing.
- Conducted API testing using Postman to verify request/response and status codes.
- Participated in daily stand-ups and sprint planning meetings as part of an Agile team.

Skills Gained :

- Gained hands-on experience in Manual Testing including writing, executing, and maintaining test cases
- Developed understanding of Functional Testing, Regression Testing, Smoke Testing, and Sanity Testing
- Learned to use JIRA for bug tracking, reporting, and project task management
- Performed API Testing using Postman, validating request-response cycles and status codes
- Used SQL for validating backend data and verifying test results against database queries
- Understood practical implementation of STLC and SDLC in a real-time Agile environment
- Strengthened collaboration, problem-solving, and attention to detail through teamwork and testing responsibilities

CERTIFICATION

- Completed Professional Software Testing Course from Advanto Software (manual+automation).

HOBBIES

- Playing Cricket and Volleyball
